

Informations

THE WATERS OF RIMINITERME

Sea water
Miramare water, which belongs to RiminiTerme (salsobromo-iodine-bicarbonate, alkaline-earthly) whose source is located a few hundreds of meters from the establishment.
Bottled **Sulphurous water**

SPA WELLNESS CENTER

The use of slippers, bathing cap, towel or bathrobe and swimsuit is mandatory.
Only children over 14 can access the wellness center.
Reservations are required at +39 0541 424011.

POOLS - CHILDREN

The cost for entry to the swimming pools for children is € 7,00.
Children between the ages of 3 to 13 must be accompanied, maximum 3 children for each adult.

GENERAL INFORMATION

The treatments are personal and cannot be transferred to third parties. There are no refunds for treatments that have not been carried out. The management reserves the right to change prices during the course of the thermal season, changes to rates or services that may be necessary. The issuing of certificates must be requested on the first day of treatment by the person in question. The thermal season starts on the second of February and ends on the 18th of December. The establishment is normally closed on Sundays. For information on working hours during holidays please call +39 0541 424011.

RESERVATIONS

By booking the treatments in advance (we recommend 30 days before) you will get an optimal organization of the service, guaranteeing you better performance. You can do this by calling +39 0541 373650 (from the 21st of April until the 11th of September from Tuesday to Friday from 9am to 2pm).

REGULATIONS ON HEALTHCARE TICKETS

Ticket: € 55.00. Total exempt: 100% civil invalids; blind; work invalids; war invalids; invalids of service 1st category. Partial exempt (recipe fee € 3.10): children up to 6 years old and adults who are over 65 years of age with a family income up to € 36,151.98; pensioners at least over 60 and unemployed with a family income of less than € 8,263.31; up to € 11,362.05 with dependent spouse increased by € 516.46 for each dependent child; the disabled for diseases limited to the services inherent to the illness.
For all affiliated treatments, a medical examination is included plus medical check-ups during treatment. To take advantage of a cycle of care through the NHS it is sufficient to ask your doctor for the issuing of the recipe and come to RiminiTerme, where the payment of the ticket is subordinated by current regulations. For the mud therapy cycle a recent electrocardiogram is mandatory (dated not earlier than 3 months).

Health Department Director: Dott. Franco M. Lamacchia

RiminiTerme reserves the right to change prices, dates and contents of this price list.
